WHAT'S THAT NOISE ?

When you hear the emergency warning sirens in Fayette County Parks and Recreation areas, you need to take immediate action. The Fayette County 911 Center will sound these sirens for three to five minutes when the National Weather Service issues the following:

- A significant weather alert with lightning, hail, and damaging wind for the area
- A severe thunderstorm warning with damaging winds
- A tornado warning
- A tornado has been spotted by public safety officials or reported by the public
- Additional weather warnings are issued

TAKE IMMEDIATE ACTION

- When siren sounds immediately leave the playing field and seek shelter in a safe area.
- If during a storm, you are outside in open areas away from shelter, lie flat on the ground away from trees until the storm passes.
- Tune to local radio station for weather updates.

DO NOT CALL 911 TO ASK WHY THE SIRENS ARE SOUNDING AS THIS CAN OVERLOAD THE 911 EMERGENCY RESPONSE SYSTEM.

PARTNER IN THE PARK

Become a Partner in the Park and help us keep our parks safe and attractive. Volunteers will be asked to notify us of safety issues, patrol for trash, and assist with fund-raising ideas to help enhance our parks.

REFUNDS

Refunds will be given to participants if requested in writing five work days prior to a class/program/trip. A 25% administration fee will be charged for any written request. A credit for the amount paid must be used for another program/class/trip and be used within a three-month time period from the date of the cancelled program/class/trip.

OUT-OF-COUNTY REGISTRATION

Recreation programs/trips are open to out-of-county registrants on a space available basis. Out-of-county fees will reflect a **50% surcharge** in addition to the printed fee.

RISK INVOLVEMENT

Many of our programs involve strenuous activities and a certain degree of risk. Inquire with staff for further information regarding the amount of activity expected of participants and the risks, if any, normally associated with the program. By registering for an activity, the registrant acknowledges that he/she is aware of the risks, is physically capable of participating in the activity, and voluntarily accepts any risks involved. By registering for an activity/program, the registrant agrees to hold the county harmless from any damages caused by participation in the activity/program.

FEES AND PAYMENTS

Payment of fees is required at the time of registration. A \$5 late fee will be assessed to anyone not registered prior to the first class. After the second class, registration will be closed and no late registrations will be accepted.

SUPPLY LISTS

Some classes require a supply list which you will be given at the time of registration. Other classes may have supplies at the first class. Payment for these supplies is paid directly to the instructor.

AGE REQUIREMENTS

Each class/program has a minimum and maximum age requirement. The participant must meet this age requirement within the time frame of the class/program. Failure to adhere to these policies will result in loss of registration fee.

INSURANCE

Individual accident and health insurance is not provided by the county for participants in our department programs.

GIFT CERTIFICATES

PICTURES

Do not be surprised if a staff member captures you on film. Pictures are often taken of participants in our programs/leagues and people using our facilities. We reserve the right to publish these pictures in our publication or web site. If you do not want your picture taken, please let us know upon registration or before we snap that picture-perfect pose.

SEVERE WEATHER POLICY

Fayette County has made significant strides in preparing for and warning the public about severe weather. If early warning sirens are activated, programs/leagues could be immediately delayed or cancelled for a general time period.

JOINT COOPERATIVE EFFORT

Fayette County Parks and Recreation Department works closely with Fayette County Board of Education and other Parks and Recreation Departments within the county. From time to time, functions may be co-sponsored in an effort to provide comprehensive activities/events for the entire community.

LOST AND FOUND

Items left in any of the parks are turned in to the association concession stands or our offices. We will keep the items for two weeks and then donate them to a local charity if not claimed.

PROGRAM EVALUATION

We are striving to make our programs the best they can be for you and the community. We value your opinions and ideas. Please take the time to complete our online evaluation located on the web site listed below and give us your opinion. We take these results and consider them carefully when planning programs and activities. **We hope that your experience with our department is enjoyable.**

TRIPS

Regarding charter bus trips and trips that admission must be paid in advance, refunds will only be given if we can sell your space and ticket. **No refunds for no-shows.** Some of our trips have a waiting list, and if you cancel at the last minute or don't show up, you may deprive someone else of being able to attend. Dates and times may be subject to change depending upon the trip. Due to the economy, some trip locations adjust their **open/close days after the brochure has been published.**

PROGRAMS

Nothing can kill a good program faster than waiting until the last minute to register. If you would like to participate in a program/trip/event, please REGISTER WELL IN ADVANCE of the registration deadline. At some point we must determine if enrollment is sufficient to hold the activity. If minimums are not met, we will cancel that program/trip/event. Your cooperation will assist us in providing the best organization and administration of our programs.
